# Installing the Texidium eReader

For Apple iPhone and iPad

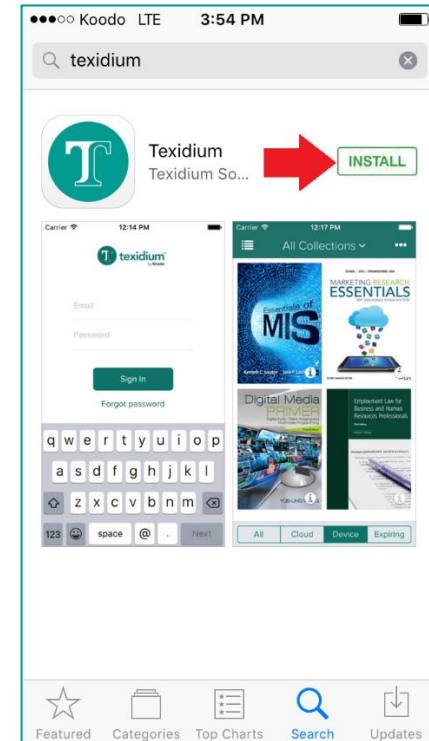

1. Open the App Store.

Use the Apple device on which you want to install the app.

2. Search for Texidium.

Tap the icon that looks like a magnifying glass, and then type "Texidium" in the search field.

3. Install Texidium.

Tap the "Get" button then the "Install" button next to Texidium.

Note: You will be prompted to supply your Apple ID/password or to touch-verify with a fingerprint the first time you obtain the app.
