

Texidium Online

This Cheat Sheet is for users of Texidium's online Reader.

The specific tasks described in this Cheat Sheet are grouped based on which of the following more general tasks they relate to.

- Organizing your Library
- Reading a Book
- Using Notes and Bookmarks
- Managing Your Account
- Getting Texidium Apps

ORGANIZING YOUR LIBRARY

The following table describes how to sort and filter your eText library from your home page in Texidium Online.

View as tiles	
View as list	
View book information	+ Get Book Info
Delete a book	eTexts cannot be deleted through Texidium Online once downloaded. They remain tied to your account and accessible through Texidium Online. Books can only be deleted from devices through the Texidium apps.
Sort and filter library	My Books / All Collections > OR

READING A BOOK

The following table lists basic tasks performed while reading an eText in Texidium Online.

Note: Some features listed in this section are only available when reading eTexts of a certain file type (EPUB or PDF). The applicable format is identified when this is the case. Click the icon on an eText in your Library and then click **Get Book Info** to determine its file type.

Turn the page	In scrolling view (default): Scroll up/down In side-scrolling view: Swipe left/right
Move forward/back one chapter	> or <
Jump to page	67 %
View your navigation history	49
Access the table of contents	
Search book	Q
Print	Note: Some books do not allow printing through the online Reader. To print from an eText, download the Texidium app for Windows or Mac at: https://reader.texidium.com/dist/#/apps .
Copy text	 Click and drag your cursor across the text you wish to copy. Click . Use your device's Copy command to copy the text in the pop-up window to your clipboard.

USING NOTES AND BOOKMARKS

The following table describes how to use notes, bookmarks and highlighting to get the most out of your study sessions with Texidium.

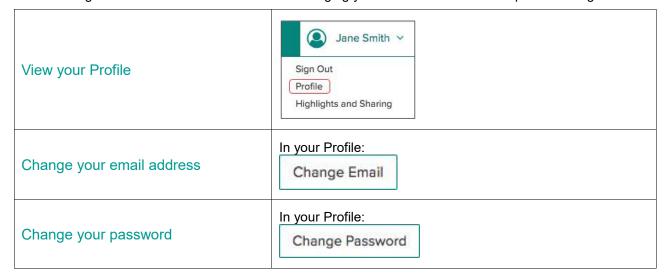

Bookmark the current page	
Browse bookmarks	
Show, hide or filter highlights	+ Toggle category visibility on/off
Highlight text / Add note	 Click and drag your cursor across the text to which your note applies. Select a highlight/note category from the dropdown list. Click to highlight the text Click to place a note. Type your note in the text field that pops up. Click Done.
Browse notes	
Customize highlight categories	 In the Options menu, click Highlights and Sharing. Click the arrow beside a category name, and then click Edit. Change the category name or colour as desired. Click Save.

Add a highlight category	 In the Options menu, click Highlights and Sharing. Click Add Category. Give your category a name and assign it a colour. Click Save.
Share a highlight category	 In the Options menu, click Highlights and Sharing. Click the arrow beside a category name, and then click Share. Distribute the subscription code that is generated to anyone with whom you wish to share the category. These users can then use that code to subscribe to your shared category as described below.
Subscribe to a shared highlight category	 In the Options menu, click Highlights and Sharing. Click Add Subscription. Enter the subscription code the sharer gave you. Click Subscribe.

MANAGING YOUR ACCOUNT

The following table describes tasks involved in managing your Texidium account and profile settings.

Remove a synced device	In your Profile: Under "Devices," click in next to the device you wish to
	remove.

GETTING TEXIDIUM APPS

The following table describes how to download Texidium apps.

Download Texidium desktop apps (Available for Windows and Mac)	Go to https://reader.texidium.com/dist/#/apps, and click the Download button next to the app you wish to download.
Download Texidium mobile apps (Available for iOS and Android)	For iOs: Search for "Texidium" on the App Store. For Android: Search for "Texidium" on Google Play.
