

Sharing and Subscribing to Notes

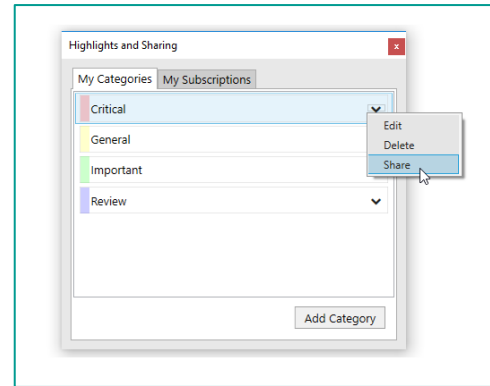

In Texidium for Windows

Sharing Notes/Highlights

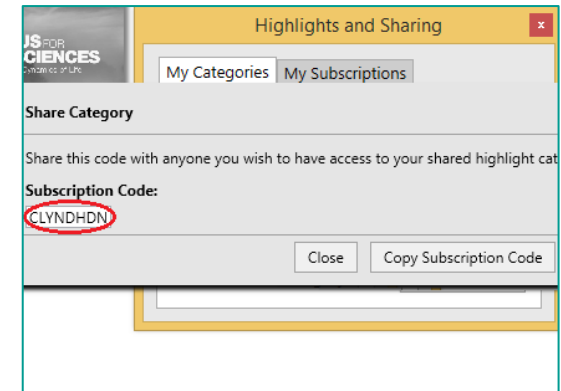

1. Go to the "Highlights and Sharing" page.

Open the Options menu (next to your name or email address in your Library), and then click **Highlights and Sharing**.

2. Share a category.

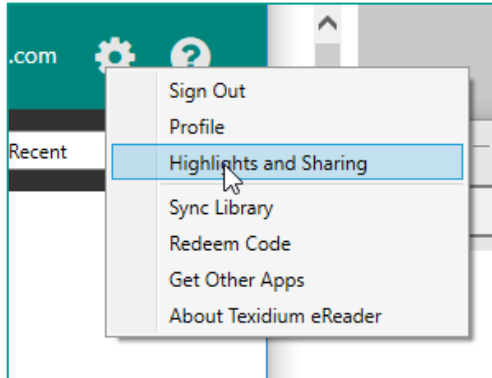

Click the arrow next to the note/highlight category you wish to share, and then click **Share**.

3. Distribute the subscription code.

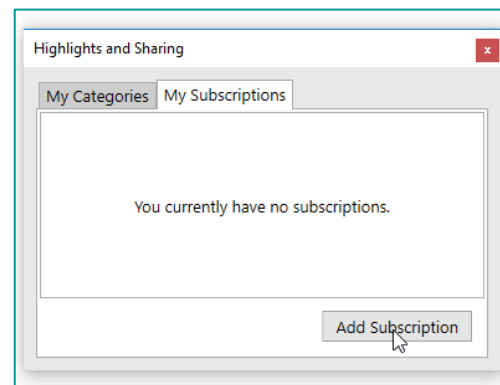

Distribute the subscription code that is generated to everyone you'd like to share the note/highlight category with.

Subscribing to Notes/Highlights

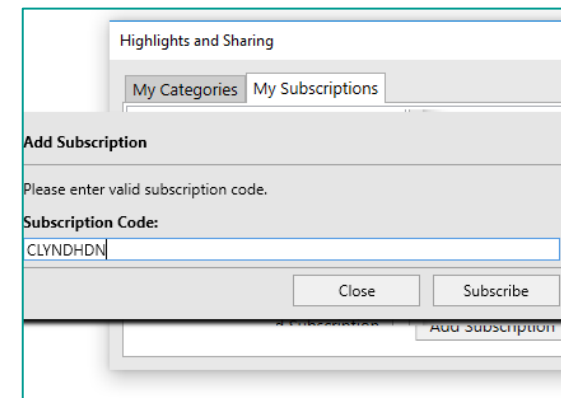

1. Go to the "Highlights and Sharing" page.

Open the Options menu (next to your name or email address in your Library), and then click **Highlights and Sharing**.

2. Add a subscription.

Go to the **Subscriptions** tab, then click **Add Subscription**.

3. Enter the subscription code.

Enter the subscription code you were given and click **Subscribe** to gain access to the shared note/highlight category.
